

Xtream Arena

Seat Sponsorships

The Xtream Arena will contain a single full-sized sheet of ice to support the University of Iowa Men’s & Women’s Club Hockey Team, a professional hockey team, and Coralville/Iowa City youth teams. Moreover, the sheet of ice can be transformed into a multi-purpose court that will give this facility the flexibility to host a multitude of different events and tournaments. Due to this versatility, The Xtream Arena and fieldhouse will host events such as youth basketball, volleyball, and wrestling tournaments, as well as special events such as concerts, family events, youth dance/cheer/gymnastics and commencement ceremonies. The Xtream Arena is also expected to be the new home competition venue for the University of Iowa Women’s Volleyball team.
